

Literature Bank Report

January 15,2012

I would like to thank Belinda for working with me during our December month of 2011 Area Meeting. She has been a God sent and I'd like to thank her and point out how much I appreciation her working with me. I'd also like to thank all in attendance today and during our December Area meeting for your cooperation on allowing us to get situated before filling orders. The check-book was reconciled as of January 11 th of2012

As of this month January 15,2012 there will be "NO" reimbursement to Area.

NOTE: I talked to Jerry at L.S.R.S.O. and he will be getting back with the board members this weekend to discuss with them (once again) about giving us a better discount than the 4% we're getting and some type of relief or idea towards the shipping charges we've been paying. My hope is that they will work towards a discount like The World Service Office does that would offset the shipping charges. {This is what I'm hoping for} He did however get them to give us a \$2000 dollar credit limit but I express to him that, that really doesn't make me any difference because I don't plan on having no balance owed while I am over the Literature Bank. {Don't need No Unexpected Panic Attacks}

REMINDER NOTICE

NOTE: Please I would appreciate if you would place your orders on at least (2) forms if necessary especially if you're purchasing items for your group and for yourself. Also I would appreciate if you fill out your forms in a different area other than on my tables where we are transacting business. Once again I am responsible for monies and literature and sometimes that kind of distraction can throw me off so please help me so that I can be of service to you and not over charge you nor under charge us when it comes to handling money and fulfilling your order/orders. Ty!!

NOTE: I purchased a few {CHIPS~ TAGS} and wondered if some of you would like to receive these in your literature order sometimes? I did purchase a few so I still need to get rid of these but I just thought we could try them out. Open for Discussion

My contact information is: Iredmaniohnson@yahoo.com or (210) 255-8534.

Literature can be picked up after the first break

Once again thank you all for your help and consideration and thank you for allowing us to be of service.

Nikki J & Belinda
