

PHONELINE SUB-COMMITTEE REPORT

01/15/2012

At our sub-committees we discussed some of our supplemental information and an open shift available on Saturday evenings. We had a volunteer step down from phonenumber since he moved out of San Antonio. At this time we would like to thank Richard K. for his commitment while being in phonenumber. We also had a member sit in our sub-committee willing to learn about our phonenumber system and shared with us his experience with phonenumber when he first came in to the program. Our sub-committee decided to allow this member to be backup until he was comfortable to be a shift leader since he will be celebrating 1 year in 2 weeks.

We always have backup shifts available for phonenumber. If interested please visit us at our sub-committee meeting and please make announcements about doing service work in meetings we make.

*Thank you for allowing me to be of service,
Cynthia R.*
