

January 2012,

A Happy New Year to everyone. The Ad-Hoc for the 2012 budget proposal has created the budget proposal for 2012, it's been vetted by the subcommittee chairs and is now ready for the ASC's approval. Copies were made for the subcommittee chairs and a few for the ASC and emailed to everyone else. I would like to thank Wanda, our ASC Treasurer and LeAnn, our RSC Treasurer for their selfless service. If there are any detailed questions, please ask our Treasurer.

The December 2011 minutes and January 2012 agenda were either emailed or mailed out with a few copies available today at a cost of \$33.52. A clipboard is going around so we can determine who wants the minutes emailed and who wants them mailed through the post office, in keeping with our 8<sup>th</sup> Concept on communication. Our 11<sup>th</sup> Concept admonishes us to use our funds prudently to better carry out our primary purpose. Making an excessive number of hard copies to bring to area isn't prudent. I continue to make attempts to get all of the secretary's archives together to insure our next secretary has the resources on hand, as stated in our 2<sup>nd</sup> Concept and so they can be readily available to the ASC.

Public Information had our meeting schedules for January 2012 printed out at a cost of \$259.80. Thanks to the groups for submitting their updates, assuring that the meeting schedule is as accurate as possible so addicts can find our meetings and recovery, carrying out our 5<sup>th</sup> Tradition. Unfortunately, Greater Powered not meeting on Saturdays didn't get in in time for the printed meeting schedules but it's updated every place else. I continue to make attempts to get all the PI archives in the possession of the ASC so that the next PI Chair can have all the necessary resources to do their job also, as per our 2<sup>nd</sup> Concept.

I will continue to be available at 10:45 – 11:00 am at areas to anyone wishing to get a GSR orientation.

Appreciate all the continued cooperation and collaboration this past month.

In loving service, CJ  
ASC Vice Chair
